\$3,500 WORTH OF PANCAKES BOOSTS DIALYSIS PROJECT

The Le Mars Area Dialysis Services (LADS) is pleased to announce that it has received a \$3,500 donation from the Brunsville American Legion Club. This is the second donation from the Brunsville Legion with the first being over \$5,000 in 2007. The Brunsville Legion hosts a pancake breakfast each month between November and April. "We are very grateful that our friends at the Brunsville Legion keep our cause in their thoughts as they choose which organizations to donate!", says Kirk Klohs, Chairman of LADS. "We would also like to thank Braungers Foods of Sioux City, Kevin Borchers of Le Mars, and Scooters Natural Meats of Brunsville. These people donated supplies to the Legion." "The Brunsville Legion puts on a delicious Pancake Breakfast, and I encourage those that have not yet had an opportunity to attend one of their breakfasts, to do so. You won't go away hungry."

"Along with the gracious donation from the Legion, Thrivent Financial has also once again decided to match some of the funds raised with an additional \$750 donation. This is Thrivent's third donation to LADS and again we are very grateful." Says Klohs. If you would like to donate to the LADS, call (712) 546-3492 for more information.

Left to right holding check: Bill Renken - Thrivent Financial, Kirk Klohs - Le Mars Area Dialysis Service Board Chairman and Owen Smith - Legion Commander of the Heeren, McHale, Wilken Post 724.
