FREE WILL OFFERINGS OF \$500 DONATED AT RECENT RECITAL TO HELP BENEFIT LE MARS AREA DIALYSIS SERVICES

This year's dance recital was held the weekend of June 5, 2009. "Each year we collect a free will offering at the recital and donate it to a non-for-profit group. This year the students choose to donate the \$500 collected to the Le Mars Area Dialysis Services." says Tina McMurray, Owner and Operator of The Dance Studio. "They believe that it is a worthy cause and are excited about helping the people in our community that would benefit from having a dialysis center locally." "Seeing how dedicated this group is to supporting their community at such a young age, is very encouraging." Jim George, LADS Board Member.

The Dance Studio has been operating in Le Mars for the past Twenty-five years and in Sheldon for Twenty-six years. The Dance Studio is committed to enriching lives through the etiquette discipline and technique inherent to a solid education in the art of dance. "We believe that the benefits of dance training extend beyond the studio improving academic performance enhancing self-esteem and building confidence that lasts a lifetime." says Tina McMurray.

If you would like to donate to the Le Mars Area Dialysis Services, call (712) 546-3492 for more information.
