## **CHRISTMAS EVE Raffle - 2009 Yamaha Zuma - WINNER ANNOUNCED - Cameron Galles of Le Mars**

**IT WAS A CHRISTMAS WISH COME TRUE - Grandfather Larry Galles of Remsen told Cameron's father, Tom Galles, to register for the 2009 Yamaha Zuma - and he did and put Cameron's name on the winning ticket.** Cameron's name was drawn at 10:00 a.m. this morning - and by 10:45 a.m. the Moped was delivered to Cameron's house here in Le Mars where his dad woke him up and asked him to come outside where several of the Le Mars Dialysis Board Members surprised Cameron with the Moped. "Cameron won't be able to drive the moped for a couple years, but we will keep it for him and are very excited for him. It won't be too long and he'll be riding it to school." Says Dad, Tom Galles. Kirk Klohs adds, "We couldn't be happier to surprise Cameron with the Moped on Christmas Eve. We would also like to thank Bob's Bike Shop of Le Mars for the wonderful donation of the Moped. Thank you also to Linda Mayrose Real Estate for letting us display the Moped in her window and thank you to everyone who purchased tickets. Moped Ticket sales raised \$5,248. Thank you to all who continue to support Dialysis in our community and Merry Christmas!"
